TRACK MEET WITH DAVIDSON SATURDAY

Presbyterians to Come With Good Team

The fast team representing Davidson on the track will meet the Tiger bunch on the campus Saturday in the first college meet of the season, and also the first that has been held on the campus in four years. Last year the North Carolina lads defeated the Tigers by the close score of 55 to 53 at Davidson and are coming down prepared to repeat the performance. Needless to say, they will be met and if work can disappoint them, they will be disappointed.

There has been no definite selection as to the men who will run in the different events for Clemson, but as many as possible will be given a chance to show what they can do in a real meet, and the whole team is determined to wipe out the defeat of last year—especially the ones who were on last year's team.

The meet will begin early, and every man that can should get out and cheer the runners on to victory.

BOARD OF TRUSTEES MEET

The following recommendations of the President were adopted:

The position of Dean in the Agricultural Department was left unfilled. The work will be carried on by three service Directors—Mr. W. W. Long, Director of Extension, Dr. F. H. H. Calhoun, Director of Resident Teaching, and Mr. H. W. Barre, Director of Research.

The Campus and the College Farm were put under the supervision of Prof. C. C. Newman, head of the Horticultural Division.

The position of Agronomist, heretofore held by Prof. Harper, was not filled, but will probably be filled at the July meeting.

The Chair of Rural Sociology and Agricultural Pedagogy created at the July 1916 meeting was annulled, and two positions created, namely, Professor of Rural Sociology and Professor of Agricultural Pedagogy. The Rev. W. H. Mills a pioneer worker in Mill Village Sociology and an authority in rural church affairs, was elected Professor of Rural Sociology, the election effective September 1st. Mr. Mills will divide his time between teaching and extension work in the State.

The position of Professor of Agricultural Pedagogy will be filled at the next July meeting. Half the time of this Professorship will be given to teaching and the other half to the duties of State Supervisor of Agricultural Instruction in the schools under the supervision of the State Department of Education.

The Mason Act relative to admission of students from without the State was substituted for the present rule of the Board on that subject. This change will permit foreign students and others from without South Carolina to be admitted within thirty days of the opening of the session, if there is room, instead of having to wait until after the opening of the session as heretofore.

(Continued on last page.)

SENIOR CLASS VOLUNTEERS

At a meeting of the Senior Class held Sunday afternoon it was unanimously agreed, and a resolution was passed to the effect that the services of the Senior Class, as a whole or individually, be offered to the United States, to be used in any capacity that the Government sees fit.

Already several members of this class belong to some of the military organizations, and are awaiting the call to the colors. Many of them are planning to stand the examination for places in the new industrial organizations, and thus serve the nation in the line in which they are best prepared.

ELECT STAFF FOR TAPS

The Junior Class held a meeting in chapel Saturday night March 31st and elected the officers for "Taps, '18." A committee consisting of five members of the class had been elected at a previous meeting, and this committee nominated two men for each office. The class then selected one of the men nominated to fill the office.

The election results are as follows:

Editor-in-chief—R. W. Webb.

Business Managers—G. W. Suggs
S. R. Finley.

Assistant Business Managers—J. W. Herring, B. O. Williams.

Advertising Managers—L. W. Burdette, H. B. West.

Literary Editors—W. F. Howell, B. H. Stribling, W. H. Bryant.

Satire Editor—A. W. Wieters.

Military Editor—J. W. Wofford.

Athletic Editor—A. W. Haskell.

Class Editor—F. L. Parks.

Art Editors—E. S. Lieberman, J. R. Ferguson.

Asst. Athletic Editors—H. W. Brown
J. H. F. Klenke.

Asst. Satire Editors—F. R. Kuykendal,
J. C. Hennigan, J. E. Kaufmann.

It is needless to say that the men on this staff are confronted with a gigantic task, but the class places great confidence in their ability to perform this work ably, and feel sure that "Taps, '18" will reflect credit upon the entire corps.

CHANGE IN FOOTBALL SCHEDULE

Manager Pressley announces that there are several changes in the schedule that was published some time ago. The changes were caused by the change of date for the State Fair, the Carolina and the Wofford dates being interchanged, and the Newberry date also being changed. The corrected schedule follows.

Pres. College, Campus, Sept. 28.

Georgia, Anderson (probably), Oct. 6

Furman, Greenville, Oct. 13.

Auburn, Campus, Oct. 19.

Carolina, Columbia, Oct. 25.

Wofford, Spartanburg, Nov. 1.

Newberry, Campus, Nov. 3.

Citadel, Orangeburg, Nov. 8.

Florida, Jacksonville, Nov. 17.

Davidson, Charlotte, Nov. 29.

Coach Donahue is expected to come to Clemson as soon as the baseball season at Washington and Lee closes, to look over the situation, and we are looking forward with a great deal of pleasure to his visit.

TIGERS WIN FROM WOFFORD TERRIERS IN FAST AND EXCITING CONTEST

PICKENS COUNTY SCHOOLS HOLD ANNUAL MEET ON CAMPUS

The annual Pickens County track meet was held on the campus Saturday. It was decided to have this meet at Clemson because of the excellent half-mile track around Riggs Field, and because of the great interest Clemson has always taken in athletics. Those schools participating in the meet, with their number of points won, were: Liberty 26, Pickens 24, Six-Mile 17, Easley 15, Reunion 5, Dacusville 2, Central 0, Norris 0. Liberty's victory was due mainly to the work of two men. The stars of the occasion were, Thomas of Liberty, who won 4 first places; M. Cobb of Easley who took 2 firsts; and Mann of Six Mile who won 1 first place, 2 seconds, and a third place. The events in which the high school athletes showed up well were: the discus throw—distance thrown 135.4 feet; the pole vault—10 feet, 6 inches; and the 120 yard low hurdles—time, 16 1-5 seconds. Cobb won the vault, while Thoams made the records on the other two.

The meet was run off by the old men of the Clemson team, directed by Coach Lewis.

DRESS PARADE IN EVENINGS

Last week a new thing was inaugurated at Clemson. An order was published on Sunday to the effect that there would be parades by the battalions during the week, beginning with the first battalion on Monday afternoon. The second battalion performed on Tuesday and due to rain on Wednesday, the third had a work-out on Thursday, in spite of rather wet grounds. The drills were the first of the kind that have been held here this year, as there has been so much unfavorable weather and most of the time has been given over to the more important work in the field. But in spite of these drawbacks the parades were well executed, and should soon be up to the highest standard. These parades will probably be continued for a while, at least.

BAND GOES TO WALHALLA

On the morning of March 30th, the band left Clemson for a short trip to Walhalla. They went to attend the Oconee County Field Day Exercises, the band having been secured for the purpose of furnishing music to make the exercises more attractive.

This is not the first time the band has attended the Oconee Field Day exercises; and the cadets knew that, though they would be expected to work at scheduled time, they would be well taken care of during the time that they were not expected to work. This proved to be the case, too.

After the morning parade and the exercises at the auditorium, the boys were taken away by the committee on entertainment who proved worthy of their positions. They were taken to dinner, and it was a hard matter to leave in

(Continued on third page.)

OGLETHORPE MEETS DEFEAT IN SLOW EXHIBITION

CAPTAIN PARKER HITS HOME RUN IN WOFFORD GAME

Clemson defeated the Terriers on last Friday by the score of 2 to 1. This was one of the snappiest games that has ever been seen at Clemson. Wofford came over confident of taking in the Tigers as she had been doing her other opponents. Jimmie Parker took the starch out of their playing however when he drove that hot roller thru right field for four bases. Wofford scored one run early in the game and thus it stood till in the ninth inning when Bill Harris brought Runt Herron in scoring the winning run. The playing of both teams was remarkably free from errors and was snappy in the extreme.

First Inning.

Osborne was out, Long to James. Cauthen grounded out of Jordan. Long threw Wiggins out. No hits. No runs.

Herron sent a high one to Osborne. Jordan grounded out, third to first. Parker hit a home run to right field. Harris popped to short. One run. One hit.

Second Inning.

Moore singled past second. Vaughan struck out. Bozeman bunted to Long and Moore was forced at second. Parker took Woods' pop. No runs. One hit.

James hit a high foul to Brunson. Stevens singled past short. Dorn fanned. Chapman popped to Bozeman. No runs. One hit.

Third Inning.

Brunson hit safely to left. Lawton bunted to Long who threw wild to second. Long bobbled Osborne's roller and the bases were full. Cauthen hit a fly to Stevens. Wiggins struck out. Dorn threw Moore out at first. No runs. One hit.

Long went out, Osborne to Vaughan. Herron popped to Cauthen. Jordan struck out. No runs. No hits.

Fourth Inning.

Vaughan flew out to Stevens. Bozeman hit to left field and was out for not touching first. Wood went out, Jordan to James. No hits. No runs.

Parker was out, Lawton to Vaughan. Harris hit a line drive to Wood. James hit one to Bozeman which was too hot to handle. James stole second. Stevens flew out to right field. No runs. One hit.

Fifth Inning.

Brunson and Lawton flew out to Herron. Osborne grounded out, Long to James. No hits. No runs.

Dorn hit a high foul to Cauthen. Chapman went out, Lawton to Vaughan. Long struck out. No hits. No runs.

Sixth Inning.

Cauthen popped to Jordan. Wiggins grounded out, Long to James. Parker threw Moore out at first. No hits. No runs.

Herron was safe on Brunson's wild throw, but went out stealing, Brunson to Osborne. Brunson took Jordan's high foul. Osborne robbed Parker of a pretty hit, making a one-hand catch. No hits. No runs.

CHANGES IN SCHEDULE

Beginning Monday many radical changes went into effect in the hour for classes and the various formations. One of the most important of these is the giving over of Saturday morning to military duty, instead of the short forty-minute drill period every morning that has been the custom here-to-fore during the third term. This necessitated the changing of other schedules, and some of the most important of these changes are as follows: Reveille from six to six-twenty o'clock, followed by ten minutes setting up exercises and then breakfast at seven. Classes begin at eight o'clock and run until twelve, and chapel has been changed from eight-thirty to twelve-ten. Dinner has been moved up to twelve-fifty, and classes begin again at one-thirty and run until four-thirty. Most of the classes are over at three-thirty, but a few run until an hour later. Retreat now comes at six-thirty and underclassmen have an extra half hour to remain on the campus during the warm weather, as long roll has been dropped back to eight o'clock. Tattoo and Taps are at the same time.

Looking at the new schedule from every view-point it seems that it will work out to best advantage for all concerned. The seven class periods each day give more vacant hours to everyone, and much of the studying can be done then to make up for the shortened study period at night.

The Saturday morning drill period will be a great advantage as it will allow the working out of problems in the field, with the actual work being done.

CONDITIONS ON WHICH DEPENDS THE ROCK HILL TRIP

March 29, 1917.

Noon.

Col. R. A. Jones, Commandant,
Clemson College, S. C.

Dear Col. Jones:

Pursuant with my announcement to the cadets in Chapel, I beg to inform you that the movement to Rock Hill during the Oratorical Contest is authorized under the following conditions:

1. The number of men will be 60 or 120 in addition to the band, the number of companies depending upon the number of cadets applying to go.

2. The permit will be granted from train No. 36 on the day of the Contest until 11:30 P. M. the following Sunday.

3. Uniforms will be worn during the entire time the cadets are in Rock Hill. (I would advise that no other clothes be allowed taken on the trip.)

4. The personnel of the company or companies and the band will be subject to the approval of the Commandant.

5. The company or companies and band must agree to do such extra work in their own time as the Commandant may prescribe.

6. The final movement will be conditional upon the inspection of the College by the War Department. A permit will not be granted if within ten days or less of the time of inspection, except upon the recommendation of the Com-

mandant.

Just as soon as possible, I shall be glad for you to take such preliminary steps as may be necessary, and in particular appoint a Committee of students who will take up with Mr. W. R. Timmons, Secretary Chamber of Commerce, Rock Hill, S. C., the details of their entertainment in Rock Hill.

In this connection, I enclose you a letter which I received recently from Mr. Timmons. I replied to this letter by saying that the movement would be permitted under certain conditions, and that he would hear from our student committee at an early date. I made clear to him that the trip would be made contingent upon the inspection of the College by the War Department.

Yours sincerely,

(Signed) W. M. Riggs, President.

A gossip is a person who hangs over your neck so as to be able to talk behind your back.—Copied.

PRESIDENT'S OFFICE HOURS

THIRD TERM

Week Days—Except Saturdays:

8:00 to 10:00 A. M.

12:15 to 12:45 P. M.*

4:00 to 5:00 P. M.*

Saturdays:

10:00 to 12:00 A. M.

5:30 to 6:30 P. M.*

* Cadets have right of way over others at these times.

PLAY TO BE GIVEN AT WINTHROP

An extra treat is in store for those so fortunate as to attend the Oratorical contest at Rock Hill this year. The students of Winthrop will give the well known play by Bernard Shaw, "You Never Can Tell" on the evening of April 21st. Two years ago the students gave one of the best plays that has ever been presented in Rock Hill, and this one promises to surpass the former one. The admission will be fifty cents.

A WORD TO WAGE EARNERS

You belong to a vast army of people who have a very valuable commodity for sale, namely, their labor—labor of hand, or brain, or both.

Did it ever occur to you how easily the value of that commodity can be impaired or completely destroyed? Should accident or sickness lay you by for a few weeks or months, or perhaps for the rest of your days, what price would your labor command then? Or what would it be worth should old age or death overtake you?

What have you to take the place of your wages should they cease? The daily needs of yourself and family will not cease. How are they going to be supplied?

THERE'S A WAY. WE CAN FILL THE GAP.

ASSURE YOUR INSURANCE

in THE PACIFIC MUTUAL LIFE INSURANCE CO.

Assets, \$35,656,611.04 — Capital and Surplus, \$4,504,807.47.

The following Benefits may be obtained by the purchase of a Pacific Mutual \$5000 Multiple Protection Policy on any Life or Endowment plan, payable in one sum, Participating or Non-Participating, with Accident and Sickness Benefits. Benefits for amounts less than \$5000 are in proportion.

FOR THE BENEFICIARY

If the insured meets accidental death, a payment of ----- \$10,000.00
If the insured dies from natural causes, a payment of ----- 5,000.00

FOR THE INSURED (while living)—

IF CAUSED BY AN ACCIDENT:

A payment for the amputation of two hands, or two feet, or a hand and foot or the loss of the sight of both eyes, of ----- \$5,000.00
also an annual income of \$500 for 10 years 5,000.00
together with an indemnity amounting to \$25 a week, limit 52 weeks for one case -- 1,300.00 11,300.00

If permanently totally disabled, an annual income of \$500 for 10 years ----- 5,000.00
and an indemnity amounting to \$25 a week, limit 52 weeks for one case ----- 1,300.00 6,300.00

If temporarily totally disabled, an indemnity at the rate of \$25 a week for from one to 52 weeks ----- 1,300.00

If temporarily partially disabled, an indemnity at the rate of \$12.50 a week for from one to 26 weeks ----- 325.00

IF NOT CAUSED BY ACCIDENT:

An annual income of \$500 for ten years for the loss of the use of two hands, or two feet, or a hand and foot or the sight of both eyes ----- 5,000.00
also and indemnity amounting to \$25 a week, limit 52 weeks for one case ----- 1,300.00 6,300.00

If permanently totally disabled, an annual income of \$500 for 10 years ----- 5,000.00
and an indemnity amounting to \$25 a week, limit 52 weeks for one case ----- 1,300.00 6,300.00

If confined to the house by illness, an indemnity at the rate of \$25 a week for from one day to 52 weeks ----- 1,300.00

While convalescent, but not confined to the house, an indemnity at the rate of \$12.50 a week for from one day to 26 weeks ----- 325.00

An Annual Income for life, the amount varying with the age at the time of purchase, will be paid the policy holder after he reaches the age of 65.

For the cost, as well as many other interesting facts which cannot be expressed in figures, come to Room 6, Y. M. C. A.

A BACHELOR'S LULLABY

I've seen a few married men
Who seem to take life in ease;
But as for me, between the two,
I'll make it clubs, if you please.

And when I'm out rather late
And don't get home until four,
Quite unlike most married men
No wife meets me at the door.

None to back me in a corner
Where it's either choke or fight,
And best of all, none to ask,
"Oh, who were you with last night?"

BOARD OF TRUSTEES MEET

(Continued from first page)

Section 87 of the By-laws which refers to the processes of the Discipline Committee and the right of appeal from its decision was amended by the following addition:

"Pending result of appeal, the sentence of the Discipline Committee shall stand and be enforced, provided, that in all cases of appeal from decisions of the Discipline Committee, notice of such appeal and the grounds therefor shall be filed with the President *within ten days*, and the President shall transmit the same to the President of the Board, and in case the President of the Board deems the appeal meritorious he shall call the Board to meet within ten days to hear the appeal."

The Board agreed to the suggestion that the amount collected from tuition will this year be set aside for use in equipping the shops and laboratories for next session.

An appropriation was made for purchasing a moving picture outfit to exhibit industrial films to the students.

A memorial tablet to the memory of the late Col. M. B. Hardin was authorized to be installed in the Chapel.

The trustees approved of including in the next year's budget the purchase of a two ton truck to do the coal hauling from Calhoun.

The Board adopted the following resolution:

"That the faculty be authorized to graduate ahead of the usual time any member of the class of 1917 who may be called into the service of the United States between this date and commencement, provided the record of any such students is satisfactory to the faculty.

DOUBLE TROUBLE

Harriett Dickson was going down the hall with a very disturbed look on her face and the sign of a few tears in her eyes.

"Oh, Harriet, please tell me what is the matter," hailed one of her friends on seeing the above signs and two letters in Harriet's hands.

"What in the world will I do?" Harriet cried, giving away to her feeling. "That boy in Florence says that he'll quit drinking if I'll marry him in June, and another one from Clemson says that he will take to drinking in June if I don't marry him."—*Winthrop Weekly News*.

Clemson Agricultural College

A young man can make no better investment than in a technical education. Viewed merely as a matter of business, even if he has to borrow the money at interest, he will find that his increased earning capacity perhaps even the first year after graduation will be sufficient to repay the loan. It is a poor business policy to wait to earn the money necessary to pay for an education with an earning capacity only one-half or one-third that of an educated man. Every year of untrained, uneducated labor represents a direct financial loss. Every boy of ability and ambition whose parents are unable to pay for his education, should get some friend to indorse his note at the bank and begin preparation that will make for greater earning capacity and a fuller life. There is no time to lose. The world is looking for men of large ability and is willing to pay for them. Already there is a surplus of the one-horsepower variety.

SOUTH CAROLINA'S SCHOOL OF ENGINEERING AND AGRICULTURE

One of the largest and best equipped Agricultural and Mechanical Colleges in the South. 1,544 acres of land. Value of plant over \$1,300,000. Over 120 teachers, officers and assistants. Enrollment of over 800. Every county in South Carolina represented. 13 Degree Courses. 4 Short Courses. 28 Departments of Instruction. New and Modern buildings, equipment and sanitation. Over \$100,000 expended in public service.

VALUE OF A TECHNICAL COLLEGE EDUCATION

A college education is no longer a luxury of the rich, but more a necessity of the poor boy whose parents can give him little or nothing to start on. In earning capacity, it represents at the outset a capital of from \$15,000 to \$30,000, depending upon the energy, character and personality of the possessor, and the capital increases with every year of its efficient use.

There never was a time in the history of the world when expert knowledge was so much in demand, so indispensable to individual success, and so highly compensated. For the untrained await the positions of low wages, long hours and poverty.

Clemson College brings within the reach of every boy in South Carolina the benefits and possibilities of a technical education. The way is provided whereby, if he have the ambition and capacity for knowledge, he need not continue in ignorance. Here, at a cost lower than at any similar institution, can a young man obtain an education that will prepare him for self-sustaining, self-respecting citizenship.

W. M. RIGGS, President.
